

Growth Group Discussion Guide

Week of January 27

LION

Our Film: "Lion"

Our Scripture: Jeremiah 29:11

GETTING TO KNOW YOU

What is the last thing you've misplaced? How long was it missing?

DIGGING DEEPER

1. Divide up these bible verses in your group. (A large group may need to work in "twos or threes") Prepare an answer to this question and share your response with your group:

- How are these scriptures illustrated by the movie Lion?

Luke 19:10

Romans 8:14-17

Luke 15:3-5

John 14:1

John 14:23

2. Greg said this sermon is not just about a movie, it is about our relationship with God. Our focus verse is Jeremiah 29:11. Read also Jeremiah 29:12-13. What do these additional verses teach us?

MEDIA MIX – Mrs. Sood

The video is found on Atonement's Media mix page on the website for the week of January 17, 2019:

Who does Mrs. Sood remind you of in history?

Do you have a story to share about adoption?

TAKING IT HOME

1. Greg taught that the story of “Lion,” illustrates the journey from;

- a. Lost
- b. To Lost and remembering you are loved
- c. To Found
- D. To Sent.”

- How did Saroo’s story illustrate this sequence?
- Think of Susan Brierley’s story; how does her story illustrate this sequence?
- Tell of a time in your faith story when you have resonated with at least one portion of this sequence.

2. Brainstorm at least 3 ways we can get involved in addressing the kind of needs described in “Lion.”

PRAYER REQUESTS and PRAYER TIME

→

→

Think of someone who seems kind of “lost,” right now. Who can we pray for?

HOUSEKEEPING

1. Who is bringing treats next week?
2. When is your group service project scheduled?
