LISTENING TO THE WISE WOMAN WITHIN

GETTING TO KNOW YOU:

Who has been a “wise woman” who inspired your faith?

DIGGING DEEPER:

Read: Luke 8:1-3. What insight do these verses provide about the resources that sustained Jesus and the disciples in their ministry?

Read: Romans 16:1-2. What insight do these verses provide about the resources that sustained Paul and his team of apostles?

Read: Acts 16. Who was Lydia and why do we remember her?

TAKING IT HOME:

Greg said; "Mary Magdalene remained present for the entire process of Jesus' transition from death unto new life, demonstrating exactly what is necessary for us to do throughout our endless transitions."

Tell of a time you “hung in there,” and have seen a positive future emerge from difficult circumstances.
