### "The Day the Music Died"

#### Psalm 137:1-4

##### Getting to know you:

Who/What is your favorite "oldies" singer/band?

##### Digging Deeper:

Read Jeremiah 29:1-14

In your own words what is God's message to those living in Exile?

v7: of which teachings of Jesus does this remind you?

v8-9: What might the false prophets have been communicating to God's people in exile?

Where do we see our Christian faith corrupted by false teachings today?

##### Taking it Home:

How can we pray for God's Word to be "music to our ears," today?

Where has "the music died," in your life?

Where has "the music died," in our city, nation or world?
