

REVIVAL IS IN THE AIR

APRIL 18–MAY 16, 2021 | SERMON DISCUSSION GUIDE

April 11, 2021 Revival is in the Air: How do you know? (John 20:19-29)

Getting to Know You:

Have you been vaccinated?

Who have you been most eager to see, what have you been most eager to do as you emerge from COVID?

Digging Deeper:

Read Revelation 21:4 and II Corinthians 5:17

- How do these scriptures illuminate or illustrate our worship series theme “Revival is in the Air?”
- What is one “former thing” that needs to “pass away,” in your life? In our society?
- What does it mean that “the old is past, and the new has come?”

Taking it Home:

- How do you have faith amidst your doubts? (What does living your faith amidst your doubts look like in what you think, feel and do?)
- How do the decisions you make illustrate Jesus’ teaching; “blessed are they who have not seen, yet come to believe.”
